

ערב ראש השנה תשע"ח

Dear Nirim staff, students,
families and partners,

A moment before the beginning of a new year,
we look back with thanks
for the path we've chosen,
the roads we've taken,
our achievements
and the privilege to meet loving people.

This new year,
we wish for revival, excitements and joy.
May this year be challenging and meaningful,
blessed with sensitivity, personal growth
and the courage to look forward and dream.

Shana Tova,
The Nirim family
